A joint celebration marking the paving of the last major east-west street in the Shoestring area, and election of a board of directors, to join newly elected officers of the Councilmanic Advisory Committee, will be highlights of a meeting scheduled for Normandie Playground, Nov. 16. It was announced today by Mrs. Ralph Robertson, chairman.

Following the meeting, youngsters of the community will have their opportunity wading up the activities with a street dance in Halldale Ave. near the playground.

Completion of the improvement of 223rd St. from West-

ern to Normandie is scheduled in time for a ribbon cutting ceremony in which Council President John S. Gibson, of Los Angeles will preside. This improvement is one of many completed this past year, and all but erases the former mud-boles which made winter traveling hazardous.

Four new officers of the Advisory group, which has supplanted the former Shoestring Community Assn., were chosen last month. Herman Eisenbeis is the new chairman, succeeding T. A. Murphy. A ten-man board will be named to serve as directors. All meetings of the group are open to the public.

The advisory committee, organized in 1952, has been the springboard of all improvements in the area. The most recent was the obtaining of the pedestrian crosswalk at 223rd and Normandie, providing a safer crossing for children attending the 223rd St. School.

"No wonder it's hard to save money. The neighbors are always buying things we can't afford."

Law Follows Bloody Path Of Burglars

A burglar who left a trail of blood visited two Lomita businesses early Thursday, getting \$200 in half-dollars and \$150 in sports clothes.

Sheriff's deputies patrolling the area noted a broken window in Donlen's Men's Store, 2211 Lomita Blvd., and found a trail of blood throughout the store, leading to the Huckins Realty Co., 2213 Lomita Blvd., and then to a parking lot behind 2223 Lomita Blvd., where it stopped.

Don Tomlin of the men's store said that about 20 sports shirts and other clothing was missing from the store, as was about \$200 in 50-cent pieces.

At the Huckins Realty Co., deputies found that a window had been broken with a metal "no parking" sign. Although drawers had been rifled, apparently nothing was taken.

Deputies surmised that the burglar had cut himself in crawling through the broken window at one of the stores, judging by the trial of blood. The intruder apparently left in a nearby auto.

Ward, senior class president and Boys' League president, was a member of the Scholarship Society, Varsity Club, Tartar Knights, prominent in football and baseball, and dramatics.
